Univesity

hackDTU

CREATE. CONQUER

In the month of February, hundreds of developers and designers collaborate to code, develop and deploy innovative solutions to real life challenges.

100 Teams

24 Hours

1 Champion

QUEDAR

GAIN THE EDGE

**Learner Today,
Creator Tomorrow**

We invite leading professionals from industry to talk about emerging technology, scaling products, deploying innovation and building the future.

The background of the entire image is a photograph of students in a classroom. The top half shows the faces of several students, including a young woman in the foreground looking towards the camera. The bottom half shows a desk with a blue cup, a pen, and some papers. The entire image has a semi-transparent red overlay.

IT'S A YEAR FOR NEW EXPERIENCES!

THERE'S MORE!

THIS FEBRUARY, WITNESS THE LARGEST EVER EVENTS!

FINQUEST

ONLINE STOCK MARKET

"One of the funny things about the stock market is that every time one person buys, another sells, and both think they are astute."

1000+ participants

WHY SPONSOR?

Sponsor the most prodigious technical festival, biggest playground for creators and innovators

RECRUITING

Hackathons and programming competitions give you incomparable access to top technical talent and we attract the smartest people around.

LIVE FEEDBACK

Hackathons allow real-time observation of potential clients trying your product. It will be high-speed, high-quality user testing for robustness and scalability.
